**WELL-KNOWN KENTUCKY WOMAN SPEAKS.****A BOON TO WOMANKIND.**

Wales, Ky.—"I take great pleasure in announcing to the public the great benefits I received from the use of Dr. Pierce's medicines. I had that dreadful disease, woman's trouble, which caused such bearing-down pains, burning sensation, and dull feeling in my head that I became a nervous wreck. I had five doctors to treat me, all to no avail. I had given up to die and to leave my dear husband and five little girls to the mercy of this world, when at last my husband begged me to try Dr. Pierce's medicines. I weighed 118 pounds when I began their use. I used 18 bottles of 'Favorite Prescription' and 'Golden Medical Discovery' and four or five boxes of 'Lotion Tablets.' At the end of the treatment I was well and weighed 103 pounds."

Mrs. RACHEL TACKITT.

When a girl becomes a woman, when a woman becomes a mother, when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances.

At these critical times women are best fortified by the use of Dr. Pierce's Favorite Prescription, an old remedy of proved worth that keeps the female system regulated and in condition.

Mother, if your daughters are weak, lack ambition, are troubled with headaches, lassitude and are pale and sickly, Dr. Pierce's Favorite Prescription is just what they need to surely bring the bloom of health to their cheeks and make them strong and healthy.

Once Used To Hide Dead Body Of Infant On Shipboard

A very peculiar history is back of an old oak chest that is now in possession of Mrs. Evaline Shelby Roberts, of Marion, Ky., whose father was a grandson of Governor Shelby, of Kentucky. This chest was made for a storage of fine linens, some time prior to the year 1800. A Dutch family by the name of Crider brought the piece of furniture from Holland about the year 1800, using it as storage for their linens while crossing the ocean. During the voyage an infant of Mrs. Crider became sick and died on the vessel. His mother being unwilling for her child to be cast overboard, after its death hid it away in this chest and in a few days the sailors, who were at that time very superstitious, noticed that the sharks began to follow the ship. It was at once suspected that a death had occurred on board. A search was made, the roll of the passengers and crew was called and all were found to be alive. Finally some one of the crew remembered that a baby had been brought aboard before the ship set sail; another search was made, and the dead child found, concealed in the oak chest with the fine linens, and around its little body the mother had placed different kinds of spices to try and preserve the child until the ship could reach land. Upon its discovery, regardless of the appeals of the mother, it was thrown overboard by orders from the master of the vessel, but the chest in which it had been concealed was brought on across and has been carefully preserved from that time to the present, and is very highly prized by its owner, Mrs. Roberts.

Descendants of the Crider family intermarried with descendants of the Shelby family and in this way the old chest has been handed down from one generation to the succeeding one for the last 300 years.

SMITH—KERR

The marriage of Miss Sallie E. Smith and James M. Kerr occurred in Danville Wednesday at the residence of Rev. Kingsbury, pastor of the Christian church, the pretty ceremony being said by that gentleman. Immediately after the ceremony the happy couple left for a visit to the groom's parents at Versailles and will visit Mr. and Mrs. W. T. Smith in Lexington before they return. The bride is a daughter of the late E. H. Smith, of Garrard. Since her death she has made her home with her sisters, Mesdames I. A. Potter and Tinsley Spoonamore in this county, where she has many relatives and friends. The groom came to this county a few years ago from Versailles and has proven himself a splendid gentleman and has many friends.

Miss Ellen Scott and Herbert Bailey motored to Danville with this couple and witnessed the marriage.

On their return to Stanford Mr. and Mrs. Kerr will go to housekeeping at the Goodnight farm on the Danville pike, where they will have the best wishes of their many friends.

DIES IN KANSAS CITY, MO.

The remains of Miss Mary Logan, of Knoxville, Tenn., were brought to this city Tuesday morning from Kansas City, Mo., for interment. Miss Logan died in a hospital in Kansas City. Deceased was born in Stanford about forty years ago and made this her home up until she moved to Knoxville with her parents, Dr. and Mrs. P. W. Logan some years ago. She was a niece of J. S. Hocker. Besides her parents, she is survived by two sisters, Mrs. Will Sneed and Mrs. Ben Boyd, of Knoxville, Tenn.; and three brothers, Messrs. Richard, Allen and Fordyce Logan, of Kansas City. The interment occurred in the Buffalo Springs cemetery after short services at the grave by Rev. D. M. Walker.

Too Sick To Work

Many Women in this Condition Regain Health by Taking Lydia E. Pinkham's Vegetable Compound.

Convincing Proof of This Fact.

Ridgway, Penn. — "I suffered from female trouble with backache and pain in my side for over seven months so I could not do any of my work. I was treated by three different doctors and was getting discouraged when my sister-in-law told me how Lydia E. Pinkham's Vegetable Compound had helped her. I decided to try it, and it restored my health, so I now do all of my housework which is not light as I have a little boy three years old."

— Mrs. G. M. RUINES, Ridgway, Penn.

Mrs. Lindsey Now Keeps House For Seven.

Tennille, Ga. — "I want to tell you how much I have benefited by Lydia E. Pinkham's Vegetable Compound. About eight years ago I got in such a low state of health I was unable to keep house for three in the family. I had dull, tired, dizzy feelings, cold feet and hands nearly all the time and could scarcely sleep at all. The doctor said I had a severe case of ulceration and without an operation I would always be an invalid, but I told him I wanted to wait awhile. Our druggist advised my husband to get Lydia E. Pinkham's Vegetable Compound and it has entirely cured me. Now I keep house for seven and work in the garden some, too. I am so thankful I got this medicine. I feel as though it saved my life and have recommended it to others and they have been benefited."

— Mrs. W. E. LINDSEY, R. R. 3, Tennille, Ga.
